RAMADAN NOTICE

Notice Date – 18/03/21

Insha'Allah, subject to moon sighting Ramadan this year is likely to start the evening of Monday 12th April 2021.

Tarawih

- 1) Tarawih prayers will be 20 rakats, and the entire Qur'an will be completed during the month.
- 2) The interval between 4 rakats will be shortened.
- 3) Individual water bottles will be provided to musalees at the entrance only.
- 4) Musalees who are reading 8 rakats are requested to pray in the ground floor prayer hall for easier exit.
- 5) There will be a designated area in the ground floor hall for chairs.
- 6) The management team will maximise the Masjid capacity as far as possible; once the Masjid is full the gates will be shut and no further entry allowed.
- 7) As per normal, all musalees must bring their own prayer mat, wear a face mask and carrier bag for shoes.

Iftari

- 1) There will be no Iftari served in the Masjid, and food is not permitted inside.
- 2) Dry dates and water will be provided to musalees attending Maghrib salah.
- 3) Any food we receive from donations will be placed in the courtyard after Maghrib salah for musalees to take home only.

Toilets and Ablution area

- 1) The newly renovated toilets and ablution area will be open for use.
- 2) We request all musalees to utilise the new facilities with respect and keep them clean and orderly.
- 3) All musalees must wash their hands with soap properly before leaving the ablution area.

Opening times

- 1) The Masjid will remain open from Asr salah to the end of Tarawih.
- 2) All musalees staying for extra worship must remain at their prayer mat on the designated sticker. There must be no socialising or group discussions.
- 3) Qur'ans will not be available for use, so musalees are encouraged to bring their own or utilise a phone/tablet.

- 4) If it is found musalees are breaking social distancing measures, the board will review and may close the Masjid in between the salahs.

I'tikaf

- 1) To fulfil the fard al-kifaya obligation upon the community, I'tikaf will be performed but limited to a maximum of four people due to the virus risk.
- 2) These will be chosen at random in the presence of two trustees from the applications received. For more information, contact Br Bilal.

Timetables

- 1) Ramadan timetables will be available to collect from the Masjid in the first week of April, as well as being accessible on the website.
